VOUCHER AGREEMENT

The Belvedere offers a voucher agreement to tourism partners. You can issue vouchers to your customers, which are then accepted by the Belvedere as tickets. The billing is handled monthly directly through the partner companies, saving customers the trouble of paying on site. The agreement contains commissioned prices for the Belvedere and is not tied to a minimum turnover. Furthermore group rates will only be awarded to our contractual partners.

To request the agreement please contact us at tourism@belvedere.at.
